**Barnegat High School Guidance Department
2008-2009**

1. Please fill out the BHS scholarship application located on line at www.barnegatschools.com, as soon as possible. All applications must be typed.
2. If you are applying for a scholarship that requires additional paperwork (application, essay, etc.), please staple all documents together that pertain to that specific scholarship.
 - **Essay** – All essays must be typed and double-spaced; unless, the donor has given specific guidelines. **Be sure to include all information requested.**
 - **Separate Donor Application** – In addition to the BHS student application, fill out a separate donor application when required. Donor applications can be picked up in the Guidance Office.
3. Use the local donor scholarship list to review the requirements for each scholarship and check off the ones you are applying for on the check-off list. Please be sure that you have a scholarship application, required essay(s) and any additional information requested by the donor. It is extremely important that **your name** and the **scholarship number** you are applying for appear at the **top of all pages**.

5. When your application(s) and additional paperwork are completed, staple the entire packet together placing the check-off list on the top.
6. A receipt will be given to you when you drop off your application in guidance. This receipt is for acceptance of packet only. Once again, it is up to you to make sure that everything requested is attached, as we will be unable to notify you if items are incomplete or missing.
