

Domain IV – Reflective Questions

When preparing for your evaluation of Domain IV, consider using the following reflective questions to guide your planning/artifact collection:

Component 4A – Reflecting on Teaching

- How did I reflect to *adjust* my lesson plans to improve *future* lessons?
- **What were the results of adjustments made?**
- What record keeping steps **and** documentation have I utilized or created this year to continuously reflect **and** improve my skills?

Component 4B – Maintaining Accurate Records

- What system do you have in place that shows you maintain student records?
- How do you have *students* help to maintain their own records?
- Am I timely with grading/record keeping?

Component 4C – Communicating with Families

- How do you inform families about their child's instructional program on a regular basis?
- How do the students inform their families about ongoing instructional programs and/or extra-curricular activities?

Component 4D – Participating in Professional Community

- What committees, meetings, and other professional groups have I been a part of? How have I taken a leadership role (**within these groups**)?
- What professional resources have I shared **with my colleagues**?
- What did I participate in to promote positive, school morale and school spirit beyond the scope of my assignment? (**ie: before school, after school, evening activities, etc**).

Component 4E – Growing and Developing Professionally

- What in **and/or** out of district professional development sessions have you attended this year?
- **How have I turn-keyed/presented new learning to my colleagues?**
- How have you sought out **and/or** implemented suggestions/feedback from colleagues, and/or supervisors to improve your practice?

Component 4F – Showing Professionalism

- How have you adhered to district policies and procedures this year? How do you enforce them with your students?
- **Do I arrive to work on time? Dress professionally?**
- **How do I serve as a role model to my students?**
- How have you contributed to ensure the success of the diverse population in your class/school?
- How have you taken a leadership role with your colleagues?

Note

Staff members are **not** required to answer these questions.
Rather, they should use them to assist with self-reflection and Domain IV preparation.
