

In order to prepare our *students* for PARCC, the Barnegat Township School District has:

- ✓ Aligned all curriculum and instruction to the Common Core State Standards;
- ✓ Attended all NJDOE training session related to PARCC;
- ✓ Provided ongoing articulation and professional development regarding test design/layout, curricular expectations, and technology integration;
- ✓ Developed and administered PARCC-like assessments in all grades;
- ✓ Increased technology “seat time” and “access” in all grades;
- ✓ Piloted PARCC in Grade 7 ELA and High School Algebra II;
- ✓ Reviewed/Discussed PARCC practice test in Grades 3-11.

In order to prepare our *district* for PARCC, the Barnegat Township School District has:

- ✓ Purchased over 300 devices that will be utilized (by students) for PARCC testing;
- ✓ Increased our Internet bandwidth from 25 Mbit to 200 Mbit;
- ✓ Increased our connection speed between BHS and ROBMS from 100 Mbit to 300 Mbit;
- ✓ Increased our connection speed between BHS and LMDS from 10 Mbit to 100 Mbit;
- ✓ Installed new core switches at each building;
- ✓ Upgraded all fiber backbones as necessary to support 100 Gbit;
- ✓ Upgraded switches from 100 Mbit to 1 Gbit to the desktop;
- ✓ Upgraded all PARCC testing areas.
