Mathematics/Science 6-12*

August 2015

Dear Parent/Guardian:

I am writing to inform you that your child has been recommended for the Basic Skills Program (BSI) at the Lillian M. Dunfee School. The purpose of this program is to provide the student with an opportunity to receive intense intervention in the areas of mathematics and/or language arts literacy.

Students are recommended for this program based on the following criteria:

- Teacher Recommendation
- Performance on Local Assessments
- Report Card Grades/Work Samples
- Parent Request (if applicable)

With an increase in demanding curricula, high expectations on state assessments, and a desire to see all students succeed, we view the BSI Program as an excellent opportunity to help your child. Our BSI staff is highly qualified and eager to work with you and your child. As students make progress in the program, they are given the opportunity to “exit” based on academic improvement, work samples, and/or teacher recommendation(s).

Please take a moment to review the attached recommendation form and return it (in the self-addressed envelope) to the Office of Curriculum and Instruction no later than September 2, 2015.

If you have any further questions/concerns, please do not hesitate to contact your child’s school principal.

Sincerely,

Anthony Scotto

Anthony Scotto
Director of Curriculum & Instruction
