XI. PRESENTATIONS/AWARDS

1. STAR AWARDS AND OUTSTANDING STUDENT AWARDS

The success of the district is dependent upon a TEAM (Together Everyone Achieves More) effort – each and every staff member, parent, student and citizen contributes to our success and to the success of our students. In order to instill that team spirit in our students, we created the Superintendent's Star Award. It was designed to provide positive reinforcement for all students whose efforts reflect teamwork. Students who contribute to the TEAM are recognized by their teachers and other staff members by having their names filled out on cards.

Each month, one student in grades Kindergarten – 5th is randomly selected from all the cards submitted in the district to receive a bike, donated by Causeway Ford in Manahawkin, NJ. Additionally, the Barnegat Board of Education would like to recognize one Barnegat High School student and one Russell O. Brackman Middle School student each month who exemplified teamwork by giving them each a gift certificate. We hope to create a spirit that will flow from the classroom to the school, to the district and to the community as a whole. These three students – Nicole Ewan, Justin Weiss and Christina Mancheno – have demonstrated excellence in their studies as well as goodwill toward others during the month of March 2007.

2. STUDENT NAMED OUTSTANDING SOLOIST

While the Russell O. Brackman Middle School Jazz Band earned a Gold rating from judges at a jazz festival held March 29th at the Medford Memorial Middle School, trombone player Wesley Brown received special recognition during the event when he was given an award for Outstanding Soloist. We congratulate Wesley on his achievement!

3. TEACHER DEMONSTRATES GRACE UNDER PRESSURE

Teacher Cindy Ackerman of the Robert L. Horbelt School is credited with saving a young girl's life last month. During her class, Ms. Ackerman noticed the young girl was acting disoriented and did not look well. She quickly reported it to the nurse and the school administration. When the girl was transported to the hospital, doctors diagnosed her with a life threatening illness. Luckily, with Ms. Ackerman's quick response, the doctors were able to stabilize the young girl. The girls' doctors agreed that if the condition had gone on unnoticed, she would have died within 24 hours. We thank Ms. Ackerman for her keen observation and her quick reaction to what could have been a dire circumstance.

4. TEACHER NAMED "ONE OF THE BEST"

Teacher Joseph Doviak of the Russell O. Brackman School was voted "One of the Best" teachers in Ocean County in the 2007 Times-Beacon Readers Choice Awards. The special awards section of the Times-Beacon Newspapers was voted on by readers throughout Ocean County. We congratulate Mr. Doviak on this honor and thank him for his continued great work in the district.
