Our eighth grade team achieved its highest score in three years. Congratulations for a job well done! The seventh grade team placed 8th out of 21 participating schools. Great job 7th graders! Our newly developed 6 grade team, placed 6th out of 16 schools. We are proud to have them as part of Brackman team! Thank you to all team members for their hard work and professionalism!
- b. I would also like to share an outstanding achievement of one of our 8th grade teachers. Mr. Ryan Eckert has been working on a book about the 1994 Major Baseball strike. His book has just been released on Amazon; it is available for Kindle and later this summer should be available in paperback. This episode in baseball is considered to be possibly the most epic historic event in professional

sports. If you would like to check it out, here's the Amazon link, <http://amzn.com/B01EVT1B76>.

- c. The Boys and Girls Track Teams competed at Ocean County Championships last week. The Boys Team took second overall out of 15 teams, putting up one of our best finishes in school history. - d. In case you weren't at the last Board of Education meeting, we have something special happening with our chorus students. Mr. Wald and his Chorus students wrote a song and produced a video to raise awareness and funds in the fight against cancer; their song "Strong," debuted on B98.5 last Wednesday; the video is available on YouTube and the song can be downloaded on iTunes, all proceeds to benefit the cancer awareness fund. The video involves students as well as members of the Barnegat community that have been going through cancer treatment and survivors. I hope that people share the message and download the song on iTunes and view the YouTube video. We would love any support that you could offer. Thanks so much Mr. Wald and students for your time and dedication to the Barnegat community! The YouTube link is: https://www.youtube.com/watch?v=Wx_IPf8t8HU.
- e. The first week of May also was Teacher Appreciation week and I want to take the opportunity to thank our students and our teachers for their hard work so far and for the exceptional effort they have put forth to represent the school in the community. I'd like to share one special example developed by our students in Mrs. Arillo's "Be the Change" club; the students wanted to personally share their gratitude by greeting the teachers one morning as they signed in. The students developed the idea and arrived very early at 6:30AM to greet them with signs, loud cheers, and applause. It is an honor and privilege to work with you all in our school.
- f. Quamora Proctor, an 8th grade student asked Mrs. Holly if she could help in the library because she is passionate about the library. After discussing how she could assist in the library, Mrs. Holly and Quamora developed an idea to open up it to

other students as well. An announcement was made to invite anyone with a passion for books and would like volunteer hours, come to the library for an informational meeting about being a Student Library Assistant. 18 students attended the informational meeting of which Quamora helped lead with Mrs. Holly. Library assistants can do shelve materials and help with the circulation system; additionally, we hope they can work as peer teachers, promote library resources, and enable the library media specialist to expand services by assisting with projects that make resources more readily accessible. In the process the assistants can hone their critical thinking and communication skills and the media center can benefit from these expanded services.

4. Cecil S. Collins:

- a. CSCS staff members willingly took on the Teach to the Last Bell pledge.
- b. In conjunction with the Barnegat Police Department the Collins School held a safety assembly to review procedures such as lockdown, shelter in place, and fire drills.

5. Joseph T. Donahue:

- a. Tuesday May 10th, a brief "Safety and Security" assembly was held with all students, faculty, and representatives from the Barnegat Police Department. This was an opportunity for the school to commend the students and staff of Donahue for the outstanding behavior and cooperation they demonstrated during our shelter in place. This was also a chance for students to ask questions, review other emergency procedures, and reassure them that their school is a safe learning environment.
- b. The JTDS Staff joined the #LASTBELL, a movement, aimed at inspiring teachers to engage learners even in the last few weeks of school, when everyone is ready for summer break and celebrating those who teach until the last bell.
- c. The 3rd grade Poetry Cafe allowed our artists' voices to be heard as parents joined us May 6th for Spoken Word Poetry. Students took to the stage as the audience sat back, relaxed and enjoy some very groovy poetry. Snap! Snap! Snap!

- d. The Donahue School PTA hosted “The Brain Show” on May 10th during school hours. The Brain Show is an engaging school assembly show that involves the students, as well as their teachers. The Brain Shows assembly has the authentic look and feel of a real live TV game show and uses educational questions, submitted by our teachers, to test students on topics they have recently covered.
 - e. The students of JTDS have hit the road this month to engage in learning outside the classroom. On May 12th our 1st Grade students experienced up close the animals and habitats found at the Cape May Zoo, and on May 17th the 5th grade ventured off to experience the history of Philadelphia.

Both students and staff are excited as they embark on engaging activities to make June count!
