3. On Saturday, May 15th, the girls' track and field team competed in the Shore Conference Championships. They were the top finishers from the B-South division. There were several outstanding performances and medal winners.

Sharyn Moran finished 5th in the 100 and 7th in the 200. Freshman Brianna Young finished 2nd in discus and 5th in shot put. Tilah Young had a banner day, and earned the title of shore conference champion in the shot put. Tilah won the event with an outstanding throw of 39'4" setting a new school record. Way to go Tilah!!!

In addition to these point scorers, several girls had personal bests in their respective events. Alexis Conte ran 5:39 in the mile and Lauren Spain had a final throw of 89'3" in the javelin. Krystal Aguilar also ran a personal and season best in the mile. Rachel Maltais also had a notable performance in the triple jump. Great job girls!

4. 2010 Ocean County College - Cardboard Canoe Champions!

Congratulations to students George Ebinger, Kyle Kampo, Justin Buelman, Christopher Dossman, and Ryan Albanese for winning first place in the Ocean County College Cardboard Canoe Competition. The students were scored on design principles, application of construction materials, research, technology integration, overall presentation, and SPEED! Each student received a \$500 scholarship to OCC and, of course, bragging rights.

Great Job Guys!

5. Thank you Barnegat!! The first Barnegat Township Relay For Life was a huge success-raising over \$70,000!! Through the rain, wind, thunder and lightning we came together as a community-it was a wonderful event!

A tremendous thank you to the Relay For Life committee members-they are truly special people.

6. I just wanted to thank you for spearheading this campaign for Relay for Life. I realize a lot of people helped the event happen but I am certain this was your passion and you have really touched on something here that has more to do with cancer, education and research, and honoring loved ones and survivors. You and all the people who helped at Relay, proved to the people of Barnegat, that we are not from "Barneghetto" and when called to serve, it didn't matter if you were from the Mirage or Lexington, we all could contribute our time, or talent, or energy; to serve a cause that was greater than ourselves.

My family and I had an amazing experience, and even though the evening was cut short, as we walked around that track with those luminaria bags all glowing, under the multi-colored sky...we were a community! Thank you and everyone, for the good that came out of this and for reminding Barnegat, that we are all part of the same community and that when we work together...we can do wonderful things! Patty Clark Brescia

7. The Southern Regional/Barnegat Air Force Junior ROTC program held its annual end of the year awards ceremony on May 25th in the Southern Regional High School cafeteria. Over 200 people attended with 60-65 of them being cadets and the rest being their parents and relatives. The evening began with the posting of the colors and the pledge of allegiance. Then for the next 30 minutes many of the cadets came forward to receive the ribbons for drill team members and color guard participants.

- 8. Letter of thanks from Interfaith of Southern Ocean County Board of Directors to the Interact Club.
- 9. Hi everyone. I have some wonderful news to report from the Brackman School Music Department. On Friday, May 28th, 2010, the Brackman Jazz Band and Vocal Ensemble attended the "Music in the Parks" Festival at The Ramada Inn, Woodlake Country Club, and Six Flags Great Adventure. The Jazz Band came in first place with a rating of "EXCELLENT".

Also, congratulations goes out to eighth grade student Sara Ridgway for receiving a medal, and being selected as the best jazz soloist of the day!!

Our Vocal Ensemble also came in first place with a rating of "EXCELLENT". They also received the overall award for the best Junior High/Middle School vocal group of the day. We are proudly displaying our trophies in the music room.

We were very pleased with the performance of our students on that day, recording high scores from two adjudicators, making our day a most memorable one.

This has been a marvelous year for our Jazz Band and Vocal Ensemble, as well as all sixth, seventh and eighth grade student musicians. The experience has been educational, rewarding, and most of all, fun!!

The Brackman Music Department extends a huge thank you to the Board of Education and Building Principal Steve Nichol for making this happen. Your support of our musical projects has not only motivated our students to reach high goals, but has made sharing the gift of music at the Brackman School a very special and rewarding experience.

10. Congratulations to Thomas Barry and Anna Prester!

On Wednesday, June 2, Tom became the first student from Barnegat High School to perform in the Region III Chamber Ensemble Concert where he performed as the timpanist in the Percussion Ensemble.

On Monday, March 15, BHS freshman Anna Prester redefined Barnegat High School Music Department history by successfully passing a New Jersey Region III All South Jersey Jazz Ensemble audition. By passing this audition, Anna became only the second freshman in Barnegat history to make this elite band, where she was the only pianist in the ensemble. What makes Anna's selection more meritorious is that she is also the first student from Barnegat to make this elite ensemble as a member of the rhythm section.

Every day Tom and Anna work very hard to consistently perform at such a high levels of proficiency and to better themselves musically. I am very proud of them because they model dedication; not only to themselves, but also to the art. We all should be very proud them for their musical accomplishments. If you see them, please take a moment to congratulate them on a job well done.

Congratulations again to the choir, soloists, and Mrs. Altonjy on a job well done!!

13. As the graduating seniors of the Music Department at Barnegat High School get ready to graduate, they are making sure they leave their final marks on Barnegat High School . On Friday, May 28, the Select Choir, under the direction of Mrs. Natalie Altonjy, took the stage at the Music in the Parks Festival and received the highest scores ever for a musical ensemble in school history. Mrs. Altonjy's Select Choir received the highest rating given by Music in the Parks, a "Superior," and the Select Choir brought back to Barnegat not only a first place trophy, but also the trophy for the top overall vocal group of the competition.

One week later on June 4, the Barnegat High School Symphonic Band, under the Direction of Mr. Anthony J. Orecchio, returned to Music in the Parks. His group also performed very well, receiving an "Excellent" rating and a first place trophy, but what highlighted their performance was an award that was not given to them by an adjudicator. During their festival, the Barnegat High School Symphonic Band became the first band in the district ever to be selected to earn the esteemed Esprit De Corps award. According to the Music in the Parks Website:

The Music in the Parks Esprit de Corps Award offers the opportunity to recognize participating organizations which display an exemplary attitude of positive support and outstanding personal behavior. Unlike other trophies that focus on musical achievement based on the scores of the adjudication panel, this coveted prize spotlights the performance of the students throughout the festival as they demonstrate their highest level of responsible behavior. Personal integrity, quality character values, a desire for excellence and a spirit of cooperation serve as the cornerstone qualities if the Esprit de Corps Award.

Congratulations to all students involved in the two ensembles. Your hard work and dedication to your respective musical genre is evidenced by these fine results!

Mrs. Altonjy and Mr. Orecchio

14. New Jersey prep QB Nick San Giacomo commits to Tulane

Tulane has landed a quarterback for its football class of 2011. Nick SanGiacomo of Barnegat High School in Barnegat, New Jersey has verbally committed to head coach Bob Toledo and recruiting coordinator Doug Lichtenberger.

Tulane was the only official offer for the 6'4, 205 pound SanGiacomo. He received some level of interest from Buffalo, Central Florida, Central Michigan, Illinois, North Carolina, North Carolina State, Rutgers, Temple and Virginia.

"I really like the coaches a lot and I love the area. I love the Tulane section of New Orleans. It is really nice uptown. I like the guys I was able to hang out with, the players. I like the feeling of family. It was like a big feeling of family that I got and it was an easy decision for me to make," said SanGiacomo.

There was no one close to Tulane in the process, according to SanGiacomo. "Tulane is where I want to be. They were consistent in recruiting me and honest with me from the start."

SanGiacomo comes into Tulane's pro-style offense from a spread background. "We read a spread offense at Barnegat. Though we ran a lot of shotgun, I lined up under center sometimes and I am comfortable with it. It doesn't really matter whether I am under center or in shotgun," said SanGiacomo.

SanGiacomo says that Bob Toledo has promised him an opportunity to compete for playing time immediately. "They told me I can come in and compete right away and that's what I am working for. All I am looking for is a chance and I believe I will get that," said SanGiacomo.

Academically, SanGiacomo finished with a 3.3 GPA at Barnegat. He took the SAT on June 5 . He scored a 1,230 the first time he took the test. SanGiacomo plans on majoring in accounting.

SanGiacomo just finished visiting Tulane and the city of New Orleans for two days. "I really enjoyed going to the Superdome. It's huge and will be a fun place to play in." SanGiacomo feels that he has one major strength coming to Tulane in the fall. "My leadership. I feel as a quarterback you have to be a leader. Everything is on you and I embrace that. I enjoy it. I feel I can handle that aspect well," said SanGiacomo.

WHEREAS, Chapter 2, P.L. 2010, set in place certain requirements for the withholding from employee salaries of 1.5% of salary for reimbursement of school districts for health benefits provided, and

WHEREAS, while Questions and Answers have been provided for guidance in how to implement most situations covered by the law, not all issues have been resolved for all cases,

NOW, THEREFORE, BE IT RESOLVED that the Board of Education authorizes the Business Administrator to implement this law in accordance with the following interpretations of the law's requirements, with the understanding that should any of these be later found inconsistent with the law, appropriate adjustments and corrections will be made:

- The district has no personnel with expired employment contracts, or no contracts, that would be subject to the 1.5% withholding between May 21, 2010, when the law became effective, and June 30, 2010.
- Since the law provides that employees under an existing multi-year labor contract will not be subject to the 1.5% withholding until the expiration of that contract, the 1.5% will not be collected from members of the Barnegat Education Association (teachers, custodians, bus drivers, school secretaries, etc.), and the Board of Education Central Office support staff, for which both contracts expire June 30, 2012.
- District Administrators (Association of Barnegat Administrators), Non-certified Supervisors (Barnegat Association of Central Office Administrators) and the Business Administrator/Board Secretary have contracts which expire June 30, 2010. Therefore, the 1.5% deduction from the members of each will become effective in July 2010 if they continue to be eligible for coverage (no spouse in SHBP – see below) and elect benefits. Amounts collected will be accounted for as refunds to the budgeted benefit expenditure lines. A Section 125 form was filed in 2009-10 and will be renewed at the June BOE meeting to allow collection of these deductions to be pre tax.

- Staff members who have spouses who are members of a State Health Benefits Plan in the Barnegat Township School District, another school district, a municipality or as an employee of the state, must decide which one of the two will elect to cover the other (and other family members) in their primary policy (unless both elect single coverage). The person electing the plan will be subject to the 1.5% withholding. The person not carrying coverage will not be subject to the 1.5% withholding, but since not eligible for benefits, that person will also not be eligible to receive any benefit buyback amount.
- Staff members who are eligible for benefits (spouse in a private plan either with a school district, municipality or private employer) and who waive benefits, will not be subject to the 1.5% withholding, and will be paid the benefit waiver percentage amount per the contract in force.
