Joseph T. Donahue Elementary School	261
Lillian M. Dunfee Elementary School	378
Robert L. Horbelt Elementary School	417
Russell O. Brackman Middle School	725
Barnegat High School	972
District Total	3175

2. Barnegat High School:

- a. Scholarship night was on May 26th. That night over \$150,000 worth of scholarships were given to our graduating students. This is a year long effort by the guidance department.
- b. Friday June 3rd the senior was held. The night was a fun night that took place at the Seaview. A wonderful time was had by all.
- c. The Senior awards were held during a breakfast this year for the first time. This was a well-attended event by both parents and students. Here our students were recognized for attendance, academics, and various character awards.
- d. Our seniors graduated on June 22nd, in the football stadium. This was a wonderful night the summed up a great year. Afterward over 150 students took part in project graduation at iPlay America.
- e. Tuesday, June 14th will be the class wars picnic during periods 3 and 4. Seniors won this year and were awarded with a picnic along with games and a dj.
- f. We had beautiful weather for our 9th Annual Helping Hands Freshwater Fishing trip which provides an opportunity for our fishing club students to help some of Barnegat School District's special needs students for a day of fishing. The fishing club students did a great job with assisting in casting, baiting, and unhooking fish. There were quite a few freshwater species caught and released which included: bluegills, pickerel, and largemouth bass.

3. Russell O. Brackman:

- a. NJHS at Brackman have planted a garden. Over the summer, NJHS kids will work on it to weed, water and harvest the garden. Thank you to Mr. Osborn and his crew for building and framing the garden for us!
- b. 60 percent, 433 students of 725, achieved Honor Roll status in the final marking period; 96 made Superintendent Honor Roll, 74 made Principal Honor Roll, and 263 made the Honor Roll.
- c. Mrs. Hayes created an exciting activity for students called an "escape room." Don't know what an Escape Room is? In a few words, it's locking yourself in a room with other students, then seeking out and solving clues to "break out" of the room. Students are not "actually" locked in, while a teacher supervises, students need to solve puzzles to open a series of locks in order to eventually find the key that gets you out of the room. The puzzles incorporated maps, figuring out word clues, mathematical clues, applying scientific theories, and also had students collaborating and working as a team. We hope to incorporate more critical thinking activities such as this for next year.
- d. The 8th grade Brackman students had an awesome class trip to Great Adventure on June 16th! Whereas the weather was cloudy and light rain, the students had a cooler day with barely any lines to worry about! Additionally, the 8th grade formal dance was outstanding. Thank you parent's and the ROBMS PTA for all you do and the extraordinary amount of time and effort to support our students in these events!

- e. On June 10th the Brackman students also enjoyed a well-deserved short free concert given by the band Vextion. Our students thoroughly enjoyed the music and time together in the gym. Additionally, students were treated to some free time with their peers for yearbook signing one day and ice cream treats provided by the PTA on another day.

4. Cecil S. Collins:

- a. The "Great Crayon Cleanout" headed by Cassidy DeMasi was completed by the Collin's students. The students collected broken/used crayons which were sent in to be melted down re-made into new crayons and donated to sick children in hospitals.
- b. All students participated in their grade level performances for their parents and the students at CSCS. The students and teachers all did an amazing job!
- c. The final awards ceremony for grades 3 through 5 was successfully completed. Students were recognized for attendance, good citizenship, most improved, academic honors and high honors, and their service on different school committees.
- d. The fifth grade trip to Calloway's was a big success! The students had a great time and followed it up with a barbeque back at the school that the parents helped organize. Thank you to all of the parents that participated in the events.
- e. The safety patrol students had a wonderful time at Great Adventure. The weather was great and the students had a blast! Thank you to the chaperones who participated in the event!
- f. CSCS 5th Grade students headed to the Brackman School to meet with Administration, Guidance, and content area teachers. This program allows incoming students to get acquainted with their future home. Students even got to have lunch in the Brackman cafeteria and get a real flavor for the middle school!
- g. Members of the Collin's Leaders in Training visited the NJ Statehouse in Trenton where they participated in a debate over Steven's Law, which prohibits the use of non-wood bats in organized games. The students learned the steps it takes for a bill to pass and were able to exercise their yays and nays following the debate.
- h. Drew McKeon received the Caring Award from the Ocean County Personnel and Guidance Association in recognition of outstanding service to the community and to those in need.

5. Joseph T. Donahue:

- a. Our 5th Grade students headed to the Brackman School to meet with Administration, Guidance, and content area teachers. This program allows incoming students to get acquainted with their future home. Students even got to have lunch in the Brackman cafeteria and get a real flavor for the middle school!
- b. The Annual 5th grade trip to Callaway's was a perfect day! Students, staff, and parents joined together in games and activities. What a wonderful way to celebrate the successes of our students.

- c. Not to toot our own horn, but the JTDS Chorus and Band concert was AWESOME! Some pretty cool kids took to the stage to share their music with students, staff, and parents. Rapping up all their practices and hard work, they sure ended the year on a high note!
- d. Donahue Has Got Talent! Students at the annual talent show took to the stage to perform for parents. Acts included comedy teams, bicycle stunts, dance performances, gymnastics, martial arts, and roller blading. There was even a surprise teacher flash mob performance featuring Justin "Mr. Huff" Timberlake. A great time was had by all.
- e. The JTDS PTA orchestrated a \$1 Father's Day plant sale. This sale was less of a fundraiser, and more of a celebration of all the fathers of our students. Students could select from a variety of plants including pepper, tomato, eggplant, hot pepper, and zucchini to name just a few.
- f. Members of Leaders in Training visited the NJ Statehouse in Trenton where they participated in a debate over Steven's Law, which prohibits the use of non-wood bats in organized games. The students learned the steps it takes for a bill to pass and were able to exercise their yays and nays following the debate.
- g. The Donahue School celebrated our students with awards ceremonies organized and hosted by Ms. Stashkevetch.
- h. A total of 31 students were recognized for being Super Citizens when they were observed committing unsolicited actions that contributed to the well-being of our school, other students, and faculty.
- i. Ryan Oblinger received the Caring Award from the Ocean County Personnel and Guidance Association in recognition of outstanding service to the community and to those in need.

6. Lillian M. Dunfee:

- a. A school-wide Math Olympics was held on Tuesday, June 14th. The day started with a parade and opening ceremony followed by grade level math challenges. There were three teams school-wide and each class competed against other classes on the same grade level working collaboratively with their teammates to solve math problems. Students rotated to each of the grade level stations and were awarded points, which later would determine 1st, 2nd, and 3rd place winners. At the closing ceremony, members of the girl's softball team from BHS were on hand to award gold, silver, and bronze medals. A special thank you to fifth grade teacher Rachel Winograd for organizing this event!
- b. Students at the Dunfee School read 3,009,167 minutes collectively, far exceeding the 2 million minutes as part of the 2 Million Reading Race Challenge. A special assembly was held on June 9th and the top reader from each class and grade level were recognized, as well as the top three classes from the entire school. All students received a t-shirt and were eligible to enter a drawing for Scholastic books, donated by the PTA.
- c. The Fifth Grade Celebration was held at Calloway's Amusements on Monday, June 13th, courtesy of the LMDS. When students returned to school, there was

still more fun to be had with a bounce house, obstacle course, photo booth and DJ.

- d. Congratulations to fifth grade student Amanda Ercolino for being named the LMDS Ocean County Caring Award recipient for the 2015/16 school year.
- e. A school-wide music video was created by music teacher Todd Gagnon to the song "Let's Go" by Calvin Harris as a culmination to our 2015/16 school theme "Travel the Road to Success." Students and staff had a lot of fun making the video. The video can be viewed on the Dunfee School web page!
- f. End-of-Year Award Ceremonies were held for students in first through fifth grade. Students received awards for perfect and excellent attendance, citizenship, honor roll, club participation and from special area teachers. We are happy to announce that all students in kindergarten through fifth grade participated in the Great Adventure Read to Succeed program and received a free Great Adventure ticket!!
- g. Students voted on relay races with school mascot Drake the Dragon for filling up the ROAR container with tickets as part of the school's Positive Behavior Support in Schools program. Throughout the school year, students receive ROAR tickets for being respectful, optimistic, awesome achievers and responsible. The tickets are entered into weekly and monthly drawings, and then placed in the large ROAR container at the school's entrance. Congratulations to all students for a great year!!
- h. The Kindergarten/Parent Tea was held on Friday, June 10th. Students sang a medley of songs and enjoyed iced tea and cookies with their parent(s).
- i. Ms. Falletta's Maker's day in Kindergarten:
 - I began the day discussing with the class about the concept of maker's day or a maker's space. I encouraged them to really tune into their creative side today. I even asked them to "turn up the creative dial in their brains", completes with gestures and sound effects. This was our first attempt at a maker's day so I was a bit more flexible with the task at hand. I asked the children to create a new invention or a new creature. I did not want to give them too many preconceived ideas because, in kindergarten, I have found that the children often do not think "outside the box" if they are given an idea. Future maker's day tasks would be more structured, such as solving a problem or creating a new way to do something.
 - I laid out some important procedures before we got to work. We discussed using positive affirmations to encourage friends such as: "Wow, I really like your creation", or "what a great idea", etc. I discussed the materials that children had available to them and to think about different uses for them. They were given time to chose five items to start with and then were free to chose additional items, after everyone had their five items.
 - This activity turned out amazing! The children were completely engaged and on task for a long time. They did not want to stop for lunch or special! Every child was proud of their project and excited about it. We held a

"maker's day museum" at the end of the day and everyone had a chance to present their project to the class. They were awarded Maker's Day certificates and clapped for each other's hard work. It was one of those teaching days when you go home and feel re-energized because the day was a success! I can't wait to begin Maker's days earlier next year.

- As an extension, we had some left over materials that are now permanently housed in our Maker's space area to be used during discovery time. It has become a very popular center!

Maker's space testimonials:

- "Maker's day was awesome because I like making stuff. I created a new kind of dirt bike that turns into a submarine." -Noah Saropoulos
- "My favorite part of maker's day was I had an idea in my head and I got to make it. It was fun!" -Ashley Whatton
- "Maker's Day was awesome because I got to make a new invention. I made a factory. I think it was good that we recycled, too!" -Connor Walcott
- "I loved it! It was a time where we can make new things and be creative. I made a birdfeeder. Maybe next time we can use different materials. It was so fun!" - Camila Chamorro
- "Maker's day was cool because we could make our own creations." - Sophia Santiago
- "I liked it because I used my imagination and it was pretty fun. Everything was good the way we did it. I like that everyone got to make their own thing." - David Smith
- "We built stuff and I loved it. I created a monster. I think we should use more metal pieces next time." - Alex Hickey
- "I liked maker's day because I can make my own creation that no one has ever seen before. I love that we could share stuff. Maybe I can think of a new toy in my mind and build that." - Brody Bornhardt

7. Robert L. Horbelt:

- a. Congratulations to our Horbelt students who read a collective total of 2, 832, 733 minutes. While it was not 3 million, these students did set new records! They had the highest monthly total of 399,724 minutes, the highest average of 283,271 minutes, and a huge increase in minutes per student: 6825. More classes placed in the monthly top five, and fourteen of our classes totaled well over 100,000 minutes! That's amazing! Congratulations to our class winner – for the third year in a row, Ms. Chadwick's class (over 220,000). Congratulations also go to (1) Kendall Krebs who read over 46,000 minutes, (2) Connor Jamison who read over 27,000, and (3) Conor Gorja with 24,000. Thank you to Mrs. Goddard, Mrs. Morano, and Mrs. Viglone for planning our Battle! The entire school spent the

- day going to reading-themed stations, dressing up like their favorite characters, and meeting with their book buddies. It was a good day!
- b. On June 1, it was standing room only in the Horbelt gym as the 4th and 5th Grade Band performed a medley of songs. Fan favorites included “Roar” and “We Are the Champions.” Great job Mr. Salonia!
 - c. The Fifth Grade Celebration took place at Calloways. Festivities continued back at Horbelt as the students returned to celebrate more memories of their time at Horbelt. Thanks to the Horbelt PTA for this wonderful event.
 - d. Grade Five students also showed off their talents at Hobby Day where they displayed their books and demonstrated their hobbies to parents.
 - e. The Lead Graduation took place on June 16 where Officer Chris Steins presented each student with a certificate and t-shirt.

CODE OF ETHICS

Board of Education

A school board member shall abide by the following Code of Ethics for School Board Members:

1. I will uphold and enforce all laws, state board rules and regulations of the State Board of Education, and court orders pertaining to schools. Desired changes shall be brought about only through legal and ethical procedures.
2. I will make decisions in terms of educational welfare of children and will seek to develop and maintain public schools that meet the individual needs of all children regardless of their ability, race, creed, sex or social standing.
3. I will confine my board action to policy making, planning, and appraisal, and I will help to frame policies and plans only after the board has consulted those who will be affected by them.
4. I will carry out my responsibility, not to administer the schools, but, together with my fellow board members, to see that they are well run.
5. I will recognize that authority rests with the board of education and will make no personal promises nor take any private action that may compromise the board.
6. I will refuse to surrender my independent judgment to special interest or partisan political groups or to use the schools for personal gain or for the gain of friends.
7. I will hold confidential all matters pertaining to the schools which, if disclosed, would needlessly injure individuals or the schools. In all other matters, I will provide accurate information and, in concert with my fellow board members, interpret to the staff the aspirations of the community for its school.
8. I will vote to appoint the best qualified personnel available after consideration of the recommendation of the chief administrative officer.
9. I will support and protect school personnel in proper performance of their duties.
10. I will refer all complaints to the chief administrative officer and will act on the complaints at public meetings only after failure of an administrative solution.
