Dear Parents/Guardians:

As a district receiving Title I funds through the *No Child Left Behind Act*, we are required to inform you of your right to request information on the professional qualifications of your child's teachers. The law requires that all teachers must meet a specific legal definition of *Highly Qualified* in order to teach in schools that receive Title I funding. We believe that nothing is more important to your child's education at school than having a well-prepared and highly-qualified teacher. We are extremely proud of the quality of the teaching staff in the Barneгат Township School District. All of our teachers meet the academic and professional NCLB requirements to be considered *Highly Qualified*.

If you desire, you may submit a request for more information in writing. We will provide you with the following information:

- State qualifications and licensing criteria;
- Status of whether or not a teacher is teaching under a provisional certificate;
- Teacher's degree;
- Paraprofessional's qualifications.

If you have any questions or concerns, do not hesitate to contact your child's school.

Sincerely,

Anthony Scotto
